

**NWCS Gifted Exploration 2 Classroom Funds Donation Form**

On behalf of the school and classroom, I would like to request parent donations for our classroom fund this year. Student supplies are purchased directly from our funds. Without sufficient funding, learning cannot be as rewarding, beneficial, or fun. As the cost per student ranges from \$30 - \$50 per semester, please donate generously, and help me build a welcoming environment. Remaining money will be given back in the form of prizes and souvenirs.

Just a small donation can make a huge difference. You can donate via cash or corporate matching funds. Thank you for your kindness in advance.

Sincerely,  
Julia Wang
